Applying this Paste
Actually Removes Hairs

Beauty Notes
Merely applying an inexpensive
paste to a hairy surface has beauty
specialists will discover the hairs.
This paste is made by mixing a little
water with some powdered denti-
tome; after about 2 minutes it is
rubbed off and the skin washed. This
simple method not only removes
every trace of hair, but leaves the
skin free from blemish. To insure
success with this treatment, be care-
ful to get test solutions.

DAILY THOUGHT.

Honesty is but a virtue and don't
fail good.
A cloth is plain that satisfies and

A sparrow that dines when beans to
buy.
A pretty glass that's broken pre-
maturely.
A beautiful rose, a peach, a dove,
a flower
last, indeed broken dead within
an hour.
